

Camille®

Il paraorecchie

Camille, il custode delle orecchie lunghe di ogni razza, preserva i delicati lobi canini da forasacchi, intrusi, pioggia e polvere.

Una difesa affettuosa per gli auricolari del tuo fedele amico, impedendo che si imbrattino nei viali cittadini e non solo.

E' un alleato prezioso durante i pasti, evitando che le orecchie si tingano di vivande.

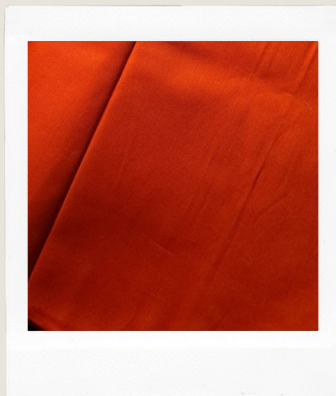

Sagomato con maestria per adattarsi in modo naturale alle orecchie del proprio cane, Camille permette di muoversi e correre in libertà.

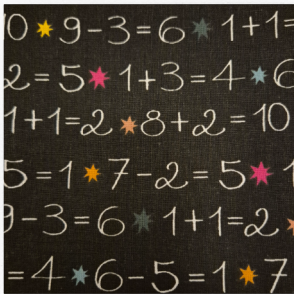

Realizzato con tessuti morbidi, traspiranti e tutti rigorosamente made in Italy.

Frutto di un lavoro meticoloso, Camille è cucito con cura e dedizione artigianale per i nostri amici a quattro zampe.
